Dear Mrs. Merwin:

Thank you for your letter of July 23, 1981. I now consider your husband's and your entry complete.

You misunderstood your husband's entry as it appears in The Merwin Family in North America. That entry was for your husband. After identifying him and who he married, we showed his child and the child's date of birth. No other information is given on the child. This is your husband's entry. We ended it with a biography of your husband because it is his entry.

Now your son will have his day in the eleventh generation chapter of the Supplement. We will identify him, give his wife and merely list his children in the 11 gen. chapter and we will give his biography because it is your son's entry.

In the 12th generation chapter, your grandson William III will have his entry and his biography and his child Jamie will simply be

(over)

listed.

I hope this explanation clarifies this system. If you have MFNA, look thru it and you'll see all family entries are handled this way.

Best regards,

Merwyn

Dear Mr. Buchanan;

I have been looking for records as to my husbands graduation (William Walters Merwin) from Lehigh University - the reason for the delay

All I can find, as I haven't the records at the present time, as to the family is the write up in the Annals of Southwestern, Penna - volume II, page 56, which states after graduation he entered the engineering department of the Susquehanna Coal Co. of Pittsburgh and worked at their Nanticoke and Shamokin Mine from 1910 to 1912. So his graduation must have been 1910. I have heard him say many times he started to work soon after graduation.

The following is correct until you had William Walters Merwin, Jr. incorrect~~ed~~ which I cut from the below.

Dear Mrs. Merwin:

Many thanks for the data on your family.

It was well done. I have sent your grandson (via your son) a record sheet to get information about Debra's family. Enclosed is the revised entry on you and your husband. The only remaining item to be resolved is your maiden name. What is the correct spelling?

Also, can you recall what year your husband graduated from Lehigh?

Your help is much appreciated.

November, 1982

My grandmother, Margaret Merwin Friar, always sent me her mailings. Do you know she died on Aug. 13, 1980?

DUES REMINDER

Our records indicate that your dues have not been received for the year which began June 1st.

This was a mistake as dues had been paid by her brother

Dues cover preparation and mailing of Milestones, our booklets and address lists quite apart from genealogical expenses. For the latter we seek optional contributions. Both are important but the dues are most necessary to the continuation of the Association.

Please remit your dues of $5.00 at your earliest convenience payable to Miles Merwin Association, Inc. and forward to the undersigned.

Do you send information to my brother, John R. Huddleston, 1621 Blake St, apt 8, Berkeley, CA. — Yes

Thanks very much.

I may be in New York for a few days this Fall/Winter and perhaps we could meet for a brief chat if your schedule permits. I've never been to a reunion in Milford and I always enjoy meeting Merwin cousins in the flesh as much of my contact is by way of the mails.

Dear Merwyn

Here are explanations to the red corrections IN the rewrite of the Supplement entry. There's no need to send the final version back to me. I appreciate the time you've taken in going back and forth with the earlier draft.

--"div. 1921" is placed so it appears to refer to the the marriage in the previous sentence between Marjorie Moore Carroll and Homer Woodbridge Huddleston who were not divorced. The 1921 divorce was of the marriage between Margaret Russell Merwin and John Marshall Carroll in the preceeding paragraph, and perhaps "div. 1921" should be so relocated.

--"1st" husband (near the bottom of the page) should be deleted as there was no divorce, or 2nd husband.

--"She mar. (2nd)..." (third line from the bottom) appears to refer to the previous sentence so "she" might be thought to be Marjorie Carroll Huddleston. The second and third marriages mentioned here are of Margaret Russell Merwin after her 1921 divorce of John Marshall Carroll. Perhaps substituting "Margaret Russell Merwin" for "she" would clarify this. A lot of the problem is that my Grandmother was thrice married and even the family often got mixed up in terms of who's who. I've sketched out a chart attached which shows how it all works out.

--The 3rd marriage (second line from the bottom) to Victor Marion Friar: the marriage date and location are known but I don't know if you want to use it. I'm sure you're the best judge of that.

--"abt." should be deleted second line from bottom as that's a precise rather than an approximated year of birth.

--on second page "1st" husband should be deleted as it was her only marriage. + his NAME corrected.

--Thomas Jefferson should be deleted as written. T.J. could only be mentioned as the great grandson of William Randolph who is in the predeeding line, but not as a direct ancestor of mine.

There are also two things which are not a matter of factual error but of a preference of mine but the final decision is of course yours as to wether or not you want to put it in.

--I spend many hours a week in geneological research and if you think it would be of interest you could put "His hobby is geneology." in the paragraph on me.

no hobbies

--There are two old colonials which are favorite ancestors of mine: Samuel Chase who signed the Declatation of Independence, and John Hanson, President of the U.S. under the Articles of Confederation. This would be as the last entrys in the last paragraph (ancestors of "her first husband, John Marshall Carroll"). The entry in that paragraph about Col. Thomas Marshall could be deleted, and with Jefferson already deleted the addition of the above two would come to the same number of ancestors mentioned. Samuel Chase and John Hanson are in the same generation as they are both 5 gt. grandfathers of mine I've done a lot of reading about them. The "John" in my name is named after John Hanson.

Well, that's it. I hope it hasn't been too tiresome getting succesive refinments of this entry. Thanks again for your help.

Sincerely

John Huddleston

Dear John:

You did a great job on your family entry for the Supplement.

Enclosed is a copy of my rewrite of your entry. You will notice I changed the format to some extent and deleted certain data.

I think you understand my hang-up on format since we have discussed it. My reason for eliminating references to ancestors prior to Colonial America is because this is a genealogy of Merwins. Biography of spouses of Merwins are supposed to be brief and largely to give some information about the spouse as to education, occupation and noteworthy accomplishments. I have bent the rule because your father and grandfather have distenguished ancestory. Nor do I believe that the references are necessary. You are sufficient referance for our genealogy since they do not prove a Merwin line.

Hope you understand. If I goofed anything in the enclosure, please let me know.

Best regards,

Merwyn

Dear Cousin Merwyn

Here's my entry for the Supplement.

The info lined through in red is to be deleted. I should have retyped it but I'd already typed eleventy-zillion drafts trying to see what should go where as some of the ancient relations are from both sides of the family.

I wasn't sure about where to group the various source attributions and may have put them in the wrong place.

When you finish editing this entry I'd appreciate it if you'd send me a xerox of what will go in if there are changes. I've enclosed a return envelope and an extra copy of the draft.

Best wishes.

Sincerely,

John Huddleston

Dear Merwyn, 4902 October 25th, 1982

Thanks very much for sending me the rewritten entry for the Supplement. I was delighted by the number of colonial non-Merwin ancestors you were able to keep in the entry. I appreciate your taking the time to sort through these and I'm sure Peggy will be pleased as well.

There are a few minor errors of fact which I'll send back to you and I beleive that should do it.

Dear Cousin,

I'm sending, in another envelope, the entry for the Supplement for my Grandmother down to my sister Peggy and me. I edited it along the lines you mentioned on the 'phone to limit non-Merwin information. In looking over the first hundred or so pages of MFNA I could see what you meant in terms of the proper form to use for information about the ancestors of the husbands of Merwin daughters. There was a colonial governor (Thomas Wells of Connecticut) on page 27 who was listed but without detail. Daniel^{5} Merwin's wife had Saier de Quincy who was a signer of Magna Carta as an ancestor, and there was a Mayflower person on page 112. Before the final draft I removed all the anecdotal info so that non-Merwin forebearers are just listed and identified.

I also enjoyed noteing the form of organization used for information in MFNA, and keeping uniform with it. For instance Merwin marriages are written "on (date), mar., in (location), (bridegroom's name) etc.", whereas other geneological documents seem to have their own particular way of arranging and inverting the information.

Limiting the number of my non-Merwin celebrities was also a blue pencil job. I have a ton of ancestor information which I received from my father's mother's family and from a great grandfather who had geneology as a hobby and it came to two trunks full of a hundred pounds of old geneologies, charts and lines. Some of them are nice and neat from the College of Arms in London, and some are totally unofficial, scrawled in longhand from God-knows-where, along with pages of old books and xeroxes of Peerages with colored arrows and cross references all over them. There's about 1500 documented entrys with the largest concentrations in the colonial US and in Middle Ages England, but some are as far afield as Turkey and Russia.

Anyway, I omitted all but the highlights. There were three Mayflower people, two of which I dropped. There were five colonial governors and I dropped two of them. I also omitted such con-

BERKELEY, CALIFORNIA 94703

versation peices as Princess Pocohantas as well as Cotton Mather, Robert E. Lee and Oliver Wendell Holmes in the intrest of brevity.

The pre-colonial bigshots were easier to deal with. As did Daniel Merwin's wife, I have Saier de Quincey as an ancient ancestor, but also five other Magna Carta sureties so I just put "desc. of several Magna Carta Barons" without listing their names. I also dropped most of the other baronys and titles as well as all the Princes of Wales and Kings of Sweeden, but kept in some English Kings and medieval saints. What a job.

I listed my sister Peggy as a MMA member as I sent a check to Gaius for dues for her a month ago as a gift. I also corrected some inaccuracies in the draft as it appears I made some errors in the initial info I sent to you as it was from casual notes rather than from documents.

I hope you are enjoying putting the Supplement together. I know I enjoyed putting together my contribution, checking sources, etc.

Best wishes from sunny California,

Sincerely,
John

Dear Cousin,

Thank you for the draft of my family entry in the Supplement. I'm checking some additional information and will have it back to you.

I got a copy of MFNA. What a lot of work you did! The result is very impressive. You must have been very proud when it was published. I particularly enjoyed reading old Merwin stories such as the Merwin model for the character in The Legend of Sleepy Hollow. Including illustrations was a fine idea. Congratulations.

Under separate cover I'm sending a copy of the Thomas Dudley Family Association bulletin for you to have. I recall you said you were interested in seeing the efforts of other gr~~y~~oups. The Dudley group is no longer functioning, but the booklet is a good one.

I hope you're having a good summer.

Best Wishes,

John H.

Dear Cousin,   490✓

This is not bound because I copyed it without unsewing the leaves, but I think you'll get the idea.

My grandparents were active in this and I'm sorry it appears to have folded.

Dear Cousin Merwin,

Thanks for your query regarding Huddlestonia for the next supplement.

I've filled in the blanks that I know. I xeroxed your letter and will forward any additional information I come up with for future supplements. My father changed the spelling of his family name from Huddilston to Huddleston before he married my mother.

Enclosed also in a xerox of the tree I mentioned to you on the 'phone a while ago. I have a copy and Peggy has the original in New York. Isn't it interesting? The colors xeroxed a little funny-looking. I'd be interested if any Association members know its origin.

Recently I've been doing some geniological work and traced several Huddleston-etc lines way back. The current oldest is my mother's family (Carroll) which comes over from Ireland in the mid 17th century and in Ireland goes back to pre-Chrisitan times, the ancientest ancestor being Eochaid Feidlech. He was my 64 gt grandfather born c. 70 BC. His 6 gt grandson was Con Ced Catach, a famous warrior.

The draft chart I've got going has about 800 entries on it and is 3 storeys long when unrolled. It's getting to be like the guy who built a boat in his basement and then couldn't get it out.

If I come up with and additional Merwin info. I'll pass it along.

Best wishes,

John

Dear Cousin:

We are writing a supplement to The Merwin Family in North America (published in 1978).

Since your grandmother was born a Merwin, we would like to complete the attached record forms. Your brother, John, suggested that I phone you since 1) you are a very busy person and 2) you might be able to help me. I shall be pleased to call you for this information in a couple of weeks, but I thought it best to send you the forms we want to complete. In that ~~that~~ way you'll understand what I need and, I hope, have had a chance to fill in the form. When I call, you can read off the data and it will save you from writing a letter. OK?

Whatever help you may give me will be much appreciated.

Sincerely,

Merwyn

Dear Cousin Mervyn,

Thanks for your letter recently and for your earlier note about my Grandmother. Sorry I didn't get back to you promptly. As a matter of fact a couple of days ago I finally excavated the paperwork on my desk down to the December, 1980 strata and was planning to respond.

I am returning your MMA form on my Grandmother although I'm afraid I wasn't much help so far. All the information is from memory and is accurate.

There wasn't room to note her final marriage. That was to Victor M. Friar whose death preceeded hers. I'm not much help on his father, mother and statistics.

Marion, married 11/12/60

However, don't give up. I'm going to check with Marshall Carroll's second wife, and with Victor Friar's son for more information and will pass it along to you. I made a couple of xeroxs of your form and will gather the information along the lines of your format. As for Alec Dickson-- I really don't know what to suggest.

You might check with my sister Margaret Merwin Huddleston who lives at: 57 Avon Hill Road, Cambridge, MASS, 02138. She is extremely busy and if you don't get a letter back you might telephone (617) 876-0287 since a call from you might save her writing a letter and thereby get you the information sooner.

Also enclosed is a membership check. I think these family associations are great fun, although I hope that characterization doesn't trivialize it too much.

Best Wishes,
John H.

Dear Cousin:

As you may know, we are preparing a supplement to the Merwin Family in North America.

Enclosed are family record sheets on your family and, where applicable, sheets for each of your married children. We would ask you to review these sheets for accuracy and give us any needed correction or addition.

We especially need your married childrens' complete address so that we may write and ask them to become members of our association. This is necessary to include the family of any person not born with the Merwin surname.

Your assistance is much appreciated.

Sincerely,

Dear Ben:

On Jan. 12, 1981, I sent you a draft of your sister Grace's family entry for the Supplement. Have you been able to complete any of the blanks?

Work on the Supplement is drawing to a close. I expect to finish the manuscript early next ~~day~~ year. So, the sooner you can give me revisions the better.

If it is better for you, give me the addresses of each person whose entry contains blanks. I'll write them and give them a change to complete them.

I hope you and yours are well.

Regards,

Merwyn

Dear Mr. Haight:

Thank you for completing your family record form so promptly.

There are just a couple of questions I must ask.

1- Where was your wife born - (city + state or province)?
2- Where were your children born?
3- Where did your son die (I presume where he was born.).
4- I assume your daughter is single. May I have her address if she doesn't live at home?

I also would appreciate a short biography of you and your wife. (Schools, degrees, occupations, etc.)

One other point, I must ask you to join our association because we require this of all families included in the supplement. The dues are certainly modest - $~~2.00~~ ~~3~~ per year. (Check payable to Miles Merwin Assn.). now 5.00

Sincerely,

Merwyn

Dear Cousin:

As you may know, we are preparing a supplement to the Merwin Family in North America.

Enclosed are family record sheets on your family and, where applicable, sheets for each of your married children. We would ask you to review these sheets for accuracy and give us any needed correction or addition.

We especially need your married childrens' complete address so that we may write and ask them to become members of our association. This is necessary to include the family of any person not born with the Merwin surname.

Your assistance is much appreciated.

Sincerely,

Merwyn

Dear Ben:

Congratulations on I Became a Canadian! It is a beautifully done work. And I know how much work was involved.

I waited to get your book before attempting to write the Ben Foote Merwin lines for the supplement to MFNA because I knew your work would provide much of the information I need.

I have reviewed in detail the 4903 Grace Clara Merwin line so far. Would you please give me the addresses of these people in that line:

Mrs. Charles King Aldrick
Mrs. Kenneth R. Von der Heiden
Mrs. James H. Swann
Mrs. Melba Haight

Best regards,

Merwyn

Dear Cousin:

As you may know, we are preparing a supplement to the Merwin Family in North America.

Enclosed are family record sheets on your family and, where applicable, sheets for each of your married children. We would ask you to review these sheets for accuracy and give us any needed correction or addition.

We especially need your married childrens' complete address so that we may write and ask them to become members of our association. This is necessary to include the family of any person not born with the Merwin surname.

Your assistance is much appreciated.

Sincerely,

Merwyn

As I Remember
by George B. Merwin

My grandfather, Miles Talcott^{8} Merwin was born in 1882 in Durham, Connecticut, died in 1904 there, and was reputed to have been a successful lumberman, farmer, businessman and staunch supporter of the church. Miles Talcott^{8} first married Elizabeth Ann Tyler, November 20, 1848. Miles Tyler^{9} was born, November 9, 1849, and his mother died, December 10, 1849.

Grandfather's second marriage was on May 8, 1851 to Ellen Agnes Foote (b. December 14, 1823).

Their children:
(a) Ella Elizabeth^{9}, b. April 17, 1852
(b) Walter Lee^{9}, b. March 23, 1854
(c) Benjamin Foote^{9}, b. August 27, 1855 (my father)
(d) Emily Foote^{9}, b. September 17, 1857
(e) Ralph Linsley^{9}, b. April 22, 1860
(f) Agnes Dickermen^{9}, b. May 10, 1864

In 1867, he purchased part of a township on the side of Blue Mountain in Hamilton County, in the Adirondack Mountains, and built the first building of what became the Blue Mountain House overlooking Blue Mountain Lake as a Summer Hotel. Miles Tyler^{9} ultimately acquired the property and carried on the operation for many years, until it became the site for the Adirondack Historical Association, in which, I believe, my brother Ben^{10} holds a life member card.

My father, Benjamin Foote^{9} Merwin, b. August 27, 1855, in Durham, Connecticut, d. November 1912 in Blue Mountain Lake, married Clara Griffin, February 22, 1883 at home on the Old Beaver Meadow Farm at North River, New York, which was the lumbering headquarters of her father, George Griffin.

Their children:
(a) Grace Clara^{10}, b. February 24, 1884 at Glens Falls, New York.
(b) Charles Benjamin^{10}, b. November 15, 1885 at North Creek, New York.
(c) I, George Barber Merwin, ~~was~~ born January 5, 1887 on the Old Beaver Meadow Farm in North River, New York.
(d) Emily Foote^{10}, b. July 10, 1890 in Blue Mountain Lake.
(e) Earl John^{10}, b. August 15, 1893 in Blue Mountain Lake.
(f) Milford Stebbins^{10}, b. September 12, 1895 in Blue Mountain Lake.
(g) Benjamin Foote^{10}, b. April 14, 1897 in Blue Mountain Lake.

I was only a baby in mother's arms, when we moved to Blue Mountain Lake, in 1887 to live in the new home father had built. Blue Mountain Lake was in the midst of a boom. After we moved, Father started a meat business and made deliveries house to house using a horse-and-covered wagon, until he opened his meat market.

I attended the one room ~~grade~~ school in Blue Mountain Lake. In the winter holidays and weekends, my brother Charlie and I cut wood; this was all done by cross cut saws and an axe (no chain saws in those days). Father would help us part time to make certain that we learned to sharpen our tools and to work safely. Enough hardwood was cut in the fall and winter after the sap was down in the roots, to allow it to season properly. The wood for the kitchen six burner cook stove was split small size and the heater box stove a larger size. We kept two cows, one or two pigs, and about 25 laying hens. During the spring season when the sap started to "run", we tapped enough maple trees

to produce enough maple syrup for our own use. A large iron kettle was used for outdoor use, where the fire could be built under it, for such as boiling down sap to make maple syrup; for heating the water when butchering pigs and miscellaneous other uses. An orchard with two or three varieties of apples; deer and small game were plentiful; the lakes and streams full of Lake Trout and speckled beauties and lots of wild fruit in the woods.

My first trip away from home was the summer of 1903, when I was sixteen. I went to Durham, Connecticut to work on my grandfather, Miles Talcott Merwin's (8th) farm. One thing I learned was to drive a pair of oxen. It was the year the Merwin reunion was held at Grandfather's home in Durham, Connecticut. I remember the occasion very well because it rained hard all day; I spent most of the day taking care of the horses and buggies; and well, I remember because I had very little to eat, except some ice cream, until after the reunion festivities were over and the last buggie had left for home.

In 1904 I went to Raquette Lake to work for Andrew Carnagie and R. G. Collier, of Collier's Magazine, both nationally-known persons. I worked at their summer homes for a few years and then went to Glens Falls, New York in 1908, where I met and married Louella McCracken, June 20, 1909 and moved to Brooklyn, to accept a position in the paint department of the New York Telephone Co. On July 26, 1910 our first daughter, Evelyn Clara was born and soon after, we returned to Glens Falls and started my own business of painting buggies, wagons and automobiles. On April 6, 1916 our second daughter, Beatrice Emily, was born, in Glens Falls, New York.

I worked, when Dupont lacquer finish for automobiles came on the market, in a lacquer shop for Dupont, which was followed by a period when I travelled about New York State, teaching the painting trade how to apply lacquer and eventually operated my own shop in Rochester, New York under the name of Rochester Lacquer Finishing Co. I subsequently changed the name to Merwin's East Avenue Collision Inc., which is still operated under the same name by my leasee.

My wife Louella passed away in December 31, 1940, at the age of 51.

I married Louise Frey of Niagara Falls, New York on July 29, 1943, and continued to live in Rochester where she passed away on January 22, 1966, at the age of 75 after a long illness.

Lottie B. Pierce came as Housekeeper in 1967 after serving my sister Emily, the widow of Dr. George Casey of Hudson Falls, New York. We were married October 31, 1976.

I've been retired many years and still live in Rochester. I feel very fortunate to still have my daughter Bea, four grandchildren, three great grandchildren, and one brother, Benjamin Foote^{10} Merwin, Sudbury, Ontario (83 years young). As a boy, he acquired the nickname of "Beefsteak", which has stayed with him.

As long as my health permits---I hope to make at least one visit each year to Blue Mountain Lake to see:

> the Old Home on "Whisker Avenue"; if the water from the well on the east side of the house still finds its way to the Atlantic Ocean via the Hudson River at New York; if the water off the roof on the west side of the old home still finds its way into the St. Lawrence River then thence the Atlantic via Montreal; to visit the cemetery where Father and Mother are having their eternal sleep; to visit the little church by the crystal clear waters of Blue Mountain Lake where their sons and daughters have given several memorials in their honor and I can say a silent prayer and Good Bye for another year.

AND THIS IS ALL I REMEMBER.

Dear Cousin Andrew:

As you know, we are writing a Supplement to *The Merwin Family in North America*

We will rewrite your father's entry. Enclosed is a draft of that entry. Can you give me the full date and place where your father died? Also, where did your mother die? (City + state).

Enclosed, too, is a draft of your entry which I believe is complete. Please give me any needed correction. You may wish to up-date or revise the biography section.

Your help is much appreciated.

Best regards,

Merwyn

Dear Mr. Merwin,

Enclosed please find a check to cover the dues for George. I am sorry for the delay.

I have been thru a lot of stress caring for George these past two years. In May of this year, he again intered the hospital; as he could not walk, he is a heavy man. From the hospital he has gone into the Fox Nursing Home since July 8th. (Room 309 - Unit III Oneonta, N.Y.) Everyone is trying to get him walking again - hopefully, so I may bring him home again, but looks doubtful.

In the May 1983 Milestone, is a picture of George on his 96th Birthday, Jan 5, 1983 I would like to have a correction made, my name was Lottie "Pierce", instead

of "McCracken". McCracken was his 1st wife's name.

It also states, he has 2 daughters, he did, but Evelyn Shafto died Jan. 19, 1961. also, he has only 3 great grand children.

I was surprised and happy to see George's picture in the Milestone News. Perhaps in the Next News, You could add that he is in the Nursing Home, plus address. Im sure he would appreicat some Cards or Mail.

Thank You.

Yours truly
Lottie Merwin

Now that the holidays are behind us, we are writing to remind you that your dues for our year to end June 1st have not been paid. We depend upon dues to fund "Milestones" and cover expenses such as meeting notices, address lists and correspondence so we would appreciate your continued support. Annual dues this year are $5.00.

The August issue of "Milestones" referred to our next genealogical project: An attempt to locate our immigrant ancestor's (Miles Merwin 1623-1697) place of birth and parentage. More recently a registered genealogist in England has been contracted to make a preliminary survey based upon leads which we were able to furnish. Our next steps will depend upon his results.

Please forward your dues payment at your early convenience. Any optional amount that you might wish to include to support our genealogical work would also be appreciated.

With best wishes for a happy and healthy 1985.

Aug. 27. 1981

Dear Merwyn,

Your Questionare arrived. I have brought this up to date as much as possible of the info that I am aware of, as for George's family

Perhaps you might be interested that George had a slight stroke last Sept. 30, 1981. We didnt expect him to come out of it but he made quite a good recovery for his age altho he has been in and out of the hospital several times, (in the hospital now for observation) expect him home Monday.

George has been able to get around slowly with a walker, a bit since March, at home. His mind is quite alert but his sight is failing. He will be 96 Jan 5, 1983. Sincerely

Lottie Merwin

Dear Cousin:

Many thanks for the family record sheets on your family.

Enclosed is a letter I attempted to send to your sister, Mrs. Langdon. It was returned since she has moved. I don't have her new address. Would you please send this on to her and let me have her present address.

I have had no answer from your brother Clarence. I need a biography on him.

Would you give me a short biography on your husband and you? I'll write your sons and ask them for theirs.

Certainly appreciate your help.

Sincerely,
Merwyn

P.S. I found a bio you gave me on a correction sheet dated 7/11/80 which you sent me.

Dear Cousin Merwyn:

I am sorry I have been so long in answering your letter reguarding my son David. I wanted to talk to him first as I didn't beleive he would return mail unopened, he has no idea that his wife has done such a thing. She is a very tempermental person an does some odd things once in a while. The note you recieved is her writing not my sons, and the signature is not his. I would like for my sons ~~name~~, and his family to appear in the book just leave off the life history. I can't get her to tell me why she doesn't like, guess it is some sort of jealsouy. I will send you $2.00 but please *don't* send any literature to them as she doesn't want it, but David is very interestd he can read my when ever he is home.

I am sorry for any inconvience we have caused you and hope you understand.

Dear Cousin Jessie:

You did a great job on the family record and biographies. Only one efception. You did not give me a biography or address for David.

There is one other point. You as a person born a Merwin are entitled to be included in the supplement to MFNA whether you are a member of our association or not. We would, of course, like you to be a member.

However, in order to be included in the supplement, each of your children must join the association. The annual dues are a mere $2.00 for husband, wife and unmarried children. Will you please pass the word to them. Their checks should be made payable to Miles Merwin Assn.

Best regards,

Merwyn

June of 1988 David and Pamela purchased a house ~~at~~ 252 Joseph C. Wilson Blvd. Rochester, N.Y. ~~14620~~ 14620. Pamela attended Adirondack Community College Hudson Falls, N.Y and graduated from there and has furthered her education by night course and she now teaches evening classes in the Rochester area at present she is teaching the new people coming into our area english and the ways of the American people, also helps in getting them located in an area and getting aquainted with our stores, money etc. she is very good at it they all seem to love her.

Hello Cousin again!

Here is some more info that I neglected to get in the papers I sent you yesterday. Do hope you will clip them altogether as I don't want my son left out of the write up.

It sure doesn't pay me to rewrite and reread so much as I then loose track of what I have done, of course if I just took a day and only done this it wouldn't be such a mess I am sure.

Thank You again

The Miles Merwin (1623-1697) Association, Inc. is preparing a supplement to The Merwin Family in North America which was published in 1978.

Errors are made in all family genealogies and despite our best efforts, we realize that ours contains some faults. Although the main purpose of the planned supplement is to carry the published work to the eleventh, twelfth and thirteenth generations, we shall include a section for corrections of and additions to the first ten generations.

Accordingly, we ask you to review the genealogy of your line and, using the enclosed form, give us any revision you find necessary. Please send your reply to:

Blue Bell, Pa. 19422

Dear Cousin:-

In reading about the family of Benjamin Merwin in the book "The Merwin Family in N. America" I find there is lack of information in regard to his son Milford S. Merwin and some incorrect information.

Milford S. Merwin's first marriage was to Alice E. Mc Cane of Indian Lake N.Y. The Dorothy mentioned in the book was the daughter of Milford S. Merwin and Alice E. Mc Cane.

Alice McCane Merwin died when this daughter was a young girl about seventeen I think. Her grandmother Clara Griffin Merwin (Milfords mother) brought her up.

She (Dorothy) married John Ouderkerk of Glens Falls. N.Y. They had two sons. I believe they still live in Glens Falls. N.Y.

I am enclosing a transcript of the marriage of Milford S. Merwin and Alice E. McCane.

Clarence Merwin who resides in South Glens Falls might know some thing about the family.

Sincerely,
Esther M. Cross

Dear Mrs. Oudekerk:

Enclosed are record sheets on your family some of which I prepared from Ben Merwin's draft of a genealogy he is printing. There is one difference I see between his work and MFNA and that is your mother's name and her parents. Please tell me what is correct and give me any other required change. Also complete the encircled items.

Best regards,

Dear Ben:

Have been thinking about you. It has been such a long time since I have heard from you. Hope you are well.

Enclosed is a rough draft of your immediate family. I thought you would like to review it and give me any needed corrections or additions. There are just a few missing items:

1) where (city + province) was Harry Christakos born?
2) what year did Mary Merwin Christakos graduate from Trinity?
3) what year did her husband graduate from Sudbury Mining

These are minor, but I want to treat everyone the same.

Best regards,

Merwyn

Dear Florence:

As I expressed to Charles in a separate letter, it would appear that, unfortunately, I shall be unable to attend the meetings on June 20 and June 21. I hope your ailment will be sufficiently remedied so that you shall be able to be there and enjoy the reunion.

I think it is long overdue that a canvassing and updating of the Canadian Merwins take place. Unfortunately I do not seem to have a current list of the membership and I wondered if it would be possible for you to forward one on.

Further, I should like to make available to prospective new members a copy of the excellent new Association booklet (3rd issue - April, 1975). If you could let me know the price per copy, I would like to have a supply of them (say 20) to distribute to relatives here.

FB copies mailed 6/18

As well, I do not think I forwarded to you earlier the details on our son, which are -

Daughter of Benjamin Foote Merwin and Dorothy Cowcill Merwin.
Sister of Benjamin Foote Merwin Jr., (b.1929), Mary Jane Merwin Christakos (b.1931) and Miles Roy Merwin (b.1933).

I was born in Sudbury, Ontario, attended primary and secondary schools here in the winter and spent the summer vacations at the family camp at Ivanhoe Lake, Foleyet, Ontario. Apart from six years in Toronto (1943-1949), when I attended Bishop Strachan School and Trinity College, University of Toronto (Political Science and Economics), became engaged to Geale Hewson and worked for a year at the Financial Post (following graduation from UofT in 1948), I have spent the rest of my life in Sudbury, Ont.

On June 4, 1949, I was married to Geale William Hewson, born 1921 in Newmarket, Ont., son of Frederic Hamilton Hewson and Jessie Morrison Strang Hewson. Geale graduated from secondary school in 1939, served in the Royal Canadian Air Force during World War II as a pilot, attended Trinity College, UofT, graduating in 1948 with a Bachelor of Commerce degree. He was employed with Pineland Timber Company, Ltd., Sudbury, Ont. from 1948-1954. In 1954, he joined Thorne Riddell & Co., Chartered Accountants, Sudbury, Ont., as a student and is presently Regional Executive Partner Ontario Region of that firm.

Geale and I have four children: Dorothy Elizabeth (b.1950), who left home first to attend the Canadian Junior College in Lausanne, Switzerland, for her final year of secondary school, graduated from the Ontario Community College Recreation Course and later from Laurentian University, Sudbury, with a Bachelor of Arts degree. Beth has been employed in both municipal and therapeutic recreation in Sudbury. In September, 1977, she entered George Washington University in Washington, D.C., to work toward her Master's Degree in Therapeutic Recreation. Beth enjoys tennis, skiing, jogging, swimming, music and meditation. Geale Frederic (b.1952) graduated from Laurentian University with a Bachelor of Commerce degree in 1976 and has just become a Chartered Accountant. He is employed by Thorne Riddell & Co., Chartered Accountants, in Kitchener, Ontario. He enjoys playing bridge with his friends. Margaret Innis (b.1956) is a student in her second year of the General Science Course at Laurentian University. Her summer activities have included mountain climbing at the Canadian Outward Bound Mountain School in British Columbia, councillor and swimming instructor at a girls' camp and assistant in a veterinary hospital. Benjamin Brock (b.1962) is a secondary school student in Sudbury in the General Arts course, playing the Tenor Sax in the School Band. Ben sails a Laser and plays golf in the summer, skiis in the winter.

When the children were young, I was involved actively in the University Women's Club, sang in the Anglican church choir and played the piano. Music has always been important. As the children began to mature, there was time to consider new outside interests. For the last ten years I have worked part time in Thorneloe College Library at Laurentian University and have also developed a deep interest in the visual arts, especially ceramics. I have helped with the promotion of aesthetic crafts through the Sudbury Craft Foundation and am presently president of the Sudbury Basin Potters as well as a member of the Board of Governors of Thorneloe College, Laurentian University.

For recreation, Geale and I enjoy travelling abroad and at home our "bush retreat" offers us gardening, swimming and camping in the summer, cross-country skiing and bridge in the winter.

Dear Mr. Buchanan.

Enclosed is my biography for the Merwin genealogy.
Sorry that we have been so tardy with our informatio
It was very pleasant speaking to you by telephone yesterday and we all thank you for your patience.

The Miles Merwin (1623-1697) Association, Inc. is preparing a supplement to The Merwin Family in North America which was published in 1978.

Errors are made in all family genealogies and despite our best efforts, we realize that ours contains some faults. Although the main purpose of the planned supplement is to carry the published work to the eleventh, twelfth and thirteenth generations, we shall include a section for corrections of and additions to the first ten generations.

Accordingly, we ask you to review the genealogy of your line and, using the enclosed form, give us any revision you find necessary. Please send your reply to:

Dear Cousin Esther:

You were certainly kind to give me information on Milford Stebbins Merwin. Enclosed is a draft of an entry on him for the Supplement. Although I had obtained some data from Mrs. Ouderkirk, I appreciate what you gave me.

There are a couple of details I need on your immediate family. Your husband's middle name for one. What does the Robert stand for? Also, I'd like to include in your entry a brief biography of you and your husband. Schools, occupations, employers; civic, church or military service, etc.

I wrote to your daughter, Mrs. Robert Seymour, on Oct. 9, 1980 but have not received a reply. Could you please encourage her to answer when you are in contact with her? I'll appreciate your help.

Best regards,
Merwyn

Dear Cousin:

Your mother had several sisters (five, I believe) who grew to adulthood and probably married and had children. These are:

Phebe White Merwin, mar. Adolph Jean Bode
Edna Althea Merwin mar. Theodore Hurlbut
Elsie Margarette Merwin mar. Harold Francis Pease
Myra Merwin mar Fowler Terry
Jessie Merwin mar ?

Could you possibly give me the present address of any of their children (your 1st. cousins)? Or could you tell me where any of these families lived last you heard? Any lead you can give me will be much appreciated. I just can't put out a Supplement to MFNA without the progeny of five Merwin women.

In 1965, Mrs. Pease lived in Collinsville, Conn.; she is probably deceased by now. Could you give me the name and address of a cemetery in or near Collinsville where she might be buried?

Best regards,

Merwyn

Dear Merwyn:

I have no information on the whereabouts of any descendants of Arthur Henry[9] Merwin you asked about in your letter of Sept. 22, 1980. The only possibility of locating them would be to try contacting descendants of Walter L. Merwin (#3842) and Benjamin F. Merwin (#3843). They are first cousins of Arthur Henry[9] Merwin (3851) and have several descendants who are MMA members. They can be found on pp. 984 - 990 of The Merwin Family in North America.

No doubt you have already considered this approach. I'm sorry I can't be of any help to you.

Sincerely,

Ann

Could you give me the addresses of any of the children of your aunts Elsie, Myra and Jessie ?

Dear Mr. Buchanan,

I apologize for the delay in returning your letter. There were two unanswered questions: the birthplace of Eben Charles (Brooklyn, N.Y.); and where were Myra (Merwin) and Fowler Terry married (First Cong. Church, Bristol, CT)

I can not help much with biographies of my parents as I was quite young when Mother died and Papa was not a very talkative man. I have been told that my mother taught History at the T.H. Patterson School in Bristol, was full of fun and very well liked. My father took over the family greenhouse business and operated Terry's Greenhouses in Bristol, CT until 1942 or so when it became difficult to get oil to heat the greenhouses because of the war. Mother must have enjoyed music (as I do) because among her things were several advanced piano pieces, a ukelele and a mandolin.

Brief biographies:

Ruth (Terry) Cobb...

Attended T.H. Patterson School, Bristol, Conn.
Graduated Bristol Memorial High School - 1950
Married 1954. Moved to Granby, CT in 1957
Active in church affairs at First Cong Church, Granby
Co-Founder of The Friends of the Cossitt Library, N. Granby
Active member Day Star Chapter #69 O.E.S.
Currently working full time as a bookkeeper in East Granby

Leland D. Cobb, Jr.

Graduated Bristol Memorial High - 1949
BSME from Pratt Institute, Brooklyn,N.Y., 1955
Worked as Mechanical Engineer for 8 years, then earned
Master Degree in Education from University of Hartford, Htfd,CT
Taught math at Bristol Central High 1963 - 1968
Teaching math and science at East Granby High 1968 to present
In 1973 (with all the family helping) he designed and
constructed the house on Silver St. where we now live.
Active member St. Mark's #91 A.F.& A.M.

I hope I have been of some help. It is pleasing to me to know something about my mother's side of the family. The Terrys are well documented in Conn. history because of the clock industry with which they had such a great part.

Hoping to hear more in the future, I remain

Yours Truly,

Ruth T. Cobb

Dear Cousin:

Your mother had several sisters (five, I believe) who grew to adulthood and probably married and had children. These are:

Phebe White Merwin mar. Adolph Jean Bode
Edna Althea Merwin mar. Theodore Hurlburt
Elsie Margarette Merwin mar. Harold Francis Pease
Myra Merwin mar Fowler Terry
Jessie Merwin mar ?

Could you possibly give me the present address of any of their children (your 1st. cousins)? Or could you tell me where any of these families lived last you heard? Any lead you can give me will be much appreciated. I just can't put out a Supplement to MFNA without the progeny of five Merwin women.

In 1965, Mrs. Pease lived in Collinsville, Conn.; she is probably deceased by now. Could you give me the name and address of a cemetery in or near Collinsville where she might be buried?

Best regards,

Merwyn

All persons not born with the family name of Merwin must be members of our association. The annual dues are a mere $2.00. If you are not now a member or your dues are not up to date, please send me a check payable to Miles Merwin Assn. with your reply to this letter.

Sincerely,

Merwyn

Dear Laura:

Thank you for your note dated 21 January enclosing the snapshots of tombstones in regard to the guy E. Merwin family.

My face is a dull shade of red! I searched through the genealogies and found in Volume II of The Merwin Family in North America a correction to page 992 (MFNA 4924) in Volume I which gives all the missing details of Guy E. and is wife. Sorry I put you to a lot of trouble.

I do hope you and George will be able to attend the July reunion. It has been a long time since we saw you two.

Dear Cousin:

Really & truly I am so sorry that these papers haven't been returned to you sooner but I misplaced them & only found them the other day. Please except my apologies.

I have answered the questions as best I could. You had a few names switched but I wrote the right order. My husbands name is Arthur A Lane since he had it legalized in 1939 or '40. He was born Arp Albert Laue & is now Arthur Albert Lane. The name change was for professional reasons.

I understand you talked to both my sisters. Very nice. This morning my sister Edith had a heart attack. Lets all pray she will be O.K.

NEW MUSIC IN SANTA MONICA

The Independent Composers Assn. opened its fall New Music Festival Sunday night with a program of new American music at the Crossroads Theater in Santa Monica. Admittedly eclectic and well presented, the works were disappointingly lightweight in impact, verging on the soporific and repetitious.

The one exception was Lois Vierk's "Go Guitars," four prerecorded and one live, ably performed by guitarist John Wager-Schneider. The piece interwove varying patterns of pitch, duration and dynamics, building a vibrant, forceful and often sensual crescendo of sound. Whether Celtic or Oriental in texture, the work reached a pulsating climax of slide guitars that was both metallic and bone-jarring. Vierk manages to counterpoint or harmonize so effectively that the acoustic can appear electronic, the instrument itself appear to change character and nature.

Cathy McCord was the featured vocalist on two compositions which explored ethnic influences in a dream-like context. Harold Budd's "Two Songs" juxtaposed voice and harp in an homage to black American music which completely transcended its roots. Adaptations of John Coltrane's "After the Rain" and a traditional hymn were plaintive and atmospheric, yet too light and inconsequential to be truly satisfying. Richard Emmet's "3 Songs for Autumn" proved more arresting, setting up and sustaining a restful, almost mystical mood through three lullabies. Clearly influenced by Chinese and Eastern cultures, the works built up delicate balances and tensions between instruments, varying color and harmony to create alternating feelings of peace and unease. Unfortunately there were occasional lapses into the mellifluous fantasyland more fittingly associated with a Disney cartoon.

That could hardly be said of "Barbara Niblock's Salad Bowl," Arthur Stidfole's tape piece. A soft, repetitive ambient rhythm is derived from striking a salad bowl in different ways. The steady drone of the basic pitch is overlaid with slight, intangible melodies that drift imperceptibly in and out, representing myriad thoughts at the edge of consciousness. Ideal music for meditating in a darkened room, the concert setting merely encouraged the listener's idle, distracted thoughts above and beyond those suggested by the steady drones.

Opening the evening was Frank Zappa's "The Black Page," a jazzy, percussive work with extended repetitive statements. Very much in tune with Zappa's early '70s recorded work, the piece simply underlined his debts to Stravinsky and Varese without breaking any new ground.

her attempted suicide. This must be male-female poles of observation. *Tiens!*

With a moderate amount of reluctance, Mathilde and Bernard begin their relationship again. Mathilde, who has even married briefly one other time to take the print of Bernard off her skin, has told her present husband about Bernard (no names, of course), describing him as a violent manic-depressive. Watching Bernard, we can't judge how much of an exaggeration this is.

As the affair becomes obvious to everyone, there is one fierce burst of violence from Bernard that seems to reinforce her description of him. (Why is there no more reaction to this from the party guests, much less the respective mates?)

Truffaut litters the film with hints of violence to come. An overheard story about a tricky knife suicide plotted to look like murder to incriminate the lover left behind makes us nervous when anyone so much as picks up a butter knife. Mathilde's children's book illustration leaps out at us, a child lying on the floor, blood pouring from him.

It is all undoubtedly intended to create a climate of uncertainty, or possibly violent passion. But since, for

NEW YORK NOTEBOOK

BROADWAY'S LIFTOFF JITTERS

By SYLVIE DRAKE,
Times Staff Writer

NEW YORK—The surest sign that the season has started is that Broadway producers are getting nervous. Postponementitis is running rampant on Broadway. The causes?

Cold feet—or, in the case of "The Dresser," hot feet. Part of the set burned down a week before the scheduled opening, though it shouldn't have made much difference. "The Dresser," an import from Great Britain, takes place in a derelict backstage dressing room of a theater that looks bombed out already. And anyway, it's a show that crossed the Atlantic in solid shape. When it finally did open Monday, everyone liked it, or at least most of it, perhaps enough to make that crucial difference at the till.

But what of those much less certain, nervous-making "original" musicals? "The First," (based on the Jackie Robinson story), "Oh, Brother!" (another "Comedy of Errors," this one set in the Middle East) and "Merrily We Roll Along" (based on the play by Kaufman and Hart) have all been postponed for repairs.

And now the news arrives that even Michael Bennett's $3-million "Dream Girls," doing brisk business in Boston, will open at the Imperial Theater Dec. 20 instead of Dec. 6. According to Bernard Jacobs of the Shubert Organization, which is presenting "Dream Girls," the show, dealing with backstage life in the pop music world, has "very few fragilities" and "less demerits than 'A Chorus Line.' " That's saying a lot. So why postpone?

"Michael likes to tinker," said Jacobs.

Well, it's Bennett's money and since rumor has it that he has a hit, it makes tinkering sound harmless and confidently proprietary.

□

So you can see that nothing's changed on Broadway. You quake or you gloat. The crapshoot is still a crapshoot. And unless you ride the crest of a Pulitzer Prize-winning comedy such as "Crimes of the Heart," which had everything going for it (including two previous successful productions elsewhere), or something as unconventional but sure as "Nicholas Nickleby," the phenomenon of the moment, it's as hard as it ever was to understand what makes one play catch on and another one not.

Let's take Shannon Keith Kelley's "Big Apple Messenger" at the WPA, just a few blocks south of Broadway and several light-years away. It's at least as stirring and well-crafted as Beth Henley's "Crimes of the Heart," and much less esoteric than "The Dresser." It's as naturalistic and New York as they make 'em, dealing as it does with a messenger service in Gotham and the range of people working for it.

But Kelley's play is not just an excuse for a colorful parade of kooks connected by cliches and a job. He has used the common denominator of a place of employment to portray the serious and humorous interaction of carefully observed lives. He doesn't confuse sentiment with sentimentality. And he has cut it down to two swift acts and sharpened the dialogue. Kelley can write (and does) tough, strong speeches that neither romanticize nor gloss the truth. Does anyone care? Not much. Despite a dynamite production and superlative casting, there's been resistance to the play.

"Most people can't get over the fact that there are 14 characters and no romantic interest," said the WPA's producing director, Kyle Renick. More to the point, "Big Apple" is not a star vehicle, which makes it less bankable, if not less good. But the WPA knows how to pick 'em. Tom Topor's "Nuts" and Kevin Wade's "Key Exchange," now thriving in Los Angeles, both started there. "Nuts" director Stephen Zuckerman staged "Big Apple," which was partly funded from the proceeds of "Key Exchange." Ironically, "Big Apple Messenger" had its first production at the Center Theatre Group-Mark Taper Lab in 1978 (it also did nothing with it). But aside from these ironies and the bicoastal crosscurrents, there appears to be, at this time anyway, no serious interest in moving the show uptown. And yet the potential for art as well as for commerce (a Broadway concomitant) is unquestionably there. The run ended Sunday. If New York won't have it, take it away L.A.

□

Getting back to "Nicholas Nickleby" (invariably one does, at least in conversation), it is now sold out for its entire 14-week run. Californians are making the trip East to see it. Aside from the terrific value it has proven to be, *even* at $100 a ticket, and despite a slower start than expected, it has mobilized theatergoers and neighborhood restaurants, many of which offer "N.N." specials, for a price. Some even let you order ahead—the food is ready when you get there and you can dine instead of gulp during the 55-minute break. . . .

Most amazing of all, it has herald-

MAN NEXT DOOR’

my money, neither Bernard nor Mathilde acts in an understandable fashion because they are not clearly drawn characters, it’s hard to enter their passion.

Mathilde’s nervous breakdown is probably the most surprising development because for a while it seemed as though Bernard were going to crack. The obsession seems to pass from one to the other, but never both at the same time. But we wonder, has she always had these depths of depression? Have they been part of her interaction with her other lovers, or with Bernard before this? Has Bernard ever had to get her through one of these dreadful bouts of self-loathing as she sobs that she’s skinny, that she’s ugly, that she’s garbage. Truly, I don’t know and I cannot draw an answer from the film.

There is, besides a couple of his favorite iris-down shots, another Truffautism in “The Woman Next Door.” Depardieu works teaching sea captains how to navigate via small-scale model tankers. In “The Man Who Loved Women” the hero worked sailing model airplanes in a wind tunnel. What is this about child-play in adult males?

You may have an easier time with all this than I did. I didn’t believe any of it for a minute.

‘DEMONOID’: ANOTHER DEVIL OF A PICTURE

By LINDA GROSS

‘Demonoid” (citywide) is an ersatz supernatural horror movie. In case you’ve forgotten “The Exorcist” and others, this film will serve to remind you.

Deep in the bowels of a Mexican silver mine where natives fear to tread, a greedy American (Roy Cameron Jenson), looking for oil, unearths a shrine where people once worshipped the devil. In a silver case, Jenson finds some dust which turns into the severed hand of Satan, becomes possessed and ultimately dies.

Two people want to destroy the devil’s powers: Jenson’s widow (Samantha Eggar) and a Los Angeles-based priest (Stuart Whitman), who befriends Eggar. They provide a diversion as credible actors who evoke sympathy for their characters.

What’s a capable actress like Eggar doing in all of these terrible horror movies (“The Exterminator,” “The Brood” and “Demonoid”)? And remember Stuart Whitman—the fine and troubled hero in “The Mark” (1961)? Why is Whitman, a strong, competent actor, reduced to making this kind of slush?

“Demonoid,” produced and directed by Alfred Zacharias and rated R for “grisly violence,” is a ridiculous movie. The technical aspects—music by Richard Gillis and camera work by Alex Phillips Jr.—are first-rate, but who cares how good the ingredients are when your cake is burned to a crisp in the oven?

Mathilde, who has even married briefly one other time to take the print of Bernard off her skin, has told her present husband about Bernard (no names, of course), describing him as a violent manic-depressive. Watching Bernard, we can't judge how much of an exaggeration this is.

As the affair becomes obvious to everyone, there is one fierce burst of violence from Bernard that seems to reinforce her description of him. (Why is there no more reaction to this from the party guests, much less the respective mates?)

Truffaut litters the film with hints of violence to come. An overheard story about a tricky knife suicide plotted to look like murder to incriminate the lover left behind makes us nervous when anyone so much as picks up a butter knife. Mathilde's children's book illustration leaps out at us, a child lying on the floor, blood pouring from him.

It is all undoubtedly intended to create a climate of uncertainty, or possibly violent passion. But since, for my money, neither Bernard nor Mathilde acts in an understandable fashion because they are not clearly drawn characters, it's hard to enter their passion.

Mathilde's nervous breakdown is probably the most surprising development because for a while it seemed as though Bernard were going to crack. The obsession seems to pass from one to the other, but never both at the same time. But we wonder, has she always had these depths of depression? Have they been part of her interaction with her other lovers, or with Bernard before this? Has Bernard ever had to get her through one of these dreadful bouts of self-loathing as she sobs that she's skinny, that she's ugly, that she's garbage. Truly, I don't know and I cannot draw an answer from the film.

There is, besides a couple of his favorite iris-down shots, another Truffautism in "The Woman Next Door." Depardieu works teaching sea captains how to navigate via small-scale model tankers. In "The Man Who Loved Women" the hero worked sailing model airplanes in a wind tunnel. What is this about child-play in adult males?

You may have an easier time with all this than I did. I didn't believe any of it for a minute.

'DEMONOID': ANOTHER DEVIL OF A PICTURE

By LINDA GROSS

"Demonoid" (citywide) is an ersatz supernatural horror movie. In case you've forgotten "The Exorcist" and others, this film will serve to remind you.

Deep in the bowels of a Mexican silver mine where natives fear to tread, a greedy American (Roy Cameron Jenson), looking for oil, unearths a shrine where people once worshipped the devil. In a silver case, Jenson finds some dust which turns into the severed hand of Satan, becomes possessed and ultimately dies.

Two people want to destroy the devil's powers: Jenson's widow (Samantha Eggar) and a Los Angeles-based priest (Stuart Whitman), who befriends Eggar. They provide a diversion as credible actors who evoke sympathy for their characters.

What's a capable actress like Eggar doing in all of these terrible horror movies ("The Exterminator," "The Brood" and "Demonoid")? And remember Stuart Whitman—the fine and troubled hero in "The Mark" (1961)? Why is Whitman, a strong, competent actor, reduced to making this kind of slush?

"Demonoid," produced and directed by Alfred Zacharias and rated R for "grisly violence," is a ridiculous movie. The technical aspects—music by Richard Gillis and camera work by Alex Phillips Jr.—are first-rate, but who cares how good the ingredients are when your cake is burned to a crisp in the oven?

Dear Cousin:

One of our members recently copied some information about Merwins from the records of the Clinton Grove Cemetery, Mt. Clemens, MI.

They stated that your grandfather, Guy E. Merwin died 1 Sep 1922 and was buried there and his wife Elizabeth died in 1970 but she was not buried their Could you tell me the date of her death and the name and location of the cemetery where she was born? I suspect it was in California

Last time I heard, your mother, Fay, was living at Garden Grove, CA. May I have her current address?

I suppose you wonder why I am asking these questions. As genealogist of the Association, I try to up date information on each Merwin family. Any help you may give me will be appreciated.

Best regards,

Merwyn R. Buchanan

Dear Fay:

I'm so sorry to hear of your sister Edith heart attack. I can well understand what sh is going through since I had one in 1970 and a second in 1972. Had a triple by-pass operation and am as good as new. I was very fortunate. Hope Edith does well too.

Will you please review the enclosed very rough draft and correct any errors I may hav made? Also, I would like a brief biography of your father, you and your husband. Schools attended, degrees, occupations, employers; civic + church + military service, etc. Please giv approximate dates.

Have you ever been to Dr. Schuller's Crystal Cathedral? Often wished I could see it. We watch him on the TUBE when we backslide and don't go to church.

Your help is much appreciated.

Best regards,

Merwyn

Dear Cousin:

We are, as you may know, in the process of writing a supplement to the Merwin Family in North America, the genealogy published by the Miles Merwin Association in 1978. Our intention is to rewrite the 10th generation and add persons in the 11th, 12th and 13th.

Please review the enclosed information about your family and make any necessary correction or addition. If a family record sheet is enclosed, missing items are encircled or marked with a question mark. Please provide a brief biography of all persons over age 18.

Our association was created to serve Merwins who are descended from Miles Merwin (1623-97). For many years our newsletter Milestones has been published several times a year, reunions of Merwins have been sponsored, directories of Merwins provided and the genealogy was published in 1978. If you are not now a member of our association, we urge your support so we may continue to serve you. Annual dues are a mere $2.00. Please send me a check payable to Miles Merwin Assn.

Sincerely,

Merwyn

Dear Cousin:

In The Merwin Family in North America, there is a Hettie Adelia Merwin who married a Mr. Ewing. She is, I believe, your cousin.

Can you tell me anything about her? Do you know her present address? She no longer lives on Poplar Street in Stockton, Calif. Do you know if she had children?

Any help you can give me will be much appreciated.

Best regards,
Merwyn

Dear Cousin:

We are, as you may know, in the process of writing a supplement to the Merwin Family in North America, the genealogy published by the Miles Merwin Association in 1978. Our intention is to rewrite the 10th generation and add persons in the 11th, 12th and 13th.

Please review the enclosed information about your family and make any necessary correction or addition. If a family record sheet is enclosed, missing items are encircled or marked with a question mark. Please provide a brief biography of all persons over age 18.

Our association was created to serve Merwins who are descended from Miles Merwin (1623-97). For many years our newsletter Milestones has been published several times a year, reunions of Merwins have been sponsored, directories of Merwins provided and the genealogy was published in 1978. If you are not now a member of our association, we urge your support so we may continue to serve you. Annual dues are a mere $2.00. Please send me a check payable to Miles Merwin Assn.

Sincerely,

Merwyn

Dear Cousin:

On March 9, 1981, I wrote both your daughters requesting 1) missing information about their families, 2) a biography of their spouses and ~~the~~ selves and 3) informed them that their families would not be included in the Supplement unless they became members of our association. Neither one of them bothered to reply to my letters.

Surely you read ~~it~~ in Milestones that the board of directors made a rule than persons not born Merwins would not have their families shown in the Supplement ~~, I have~~ unless they were members. I have no choice but to follow the rule. Your daughters were asked and they declined.

Sincerely,

Merwyn

Dear Stephen:

As I promised, here is the draft of your entry for the Supplement. If I get no corrections by Feb. 15, 1982, I'll conclude it is O.K. as is.

I have just written your sister, Myrna, a second time asking for info about her family. Would you please encourage her to reply? Since she has an unpublished number, I can't phone her. I don't want to omit her family, but I can't include information I don't have.

Dear Mike:

I was sorry to learn of your mother's illness. As I promised, here is the incomplete entry for your family. Here is what I need to complete it:

1- place your parents married (city + state) Viroqua, Wis.
2- Your father's place of birth (city + state) Kearney, Nebr.
3- " " birth date 8-3-31
4- Verna Munn's maiden name Amsberry

Please give me any needed correction of the draft.

Please answer these questions about both your father and mother:

1- where attended high school (city + state) + date of graduation
2- college - degrees and dates of graduation
3- occupation + employer

Perhaps your father will help you with these questions. Don't bother your mother unless and until she is up to this. I do not want to be a pest, but I do want to include your family in the Supplement.

Best regards,

Merwyn
